DEFENSE INTELLIGENCE AGENCY

WASHINGTON, D.C. 20340

18 DEC 1990

MEMORANDUM FOR THE DEPUTY DIRECTOR OF CENTRAL INTELLIGENCE

SUBJECT: Intelligence Support to the Arms Control Ratification Process (U)

Reference: DDCI memo, OCA 90-3599/1, 19 November 1990, subject as above.

1. (S) In reply to reference the Defense Intelligence Agency has supported and will continue to fully support your guidance that the Arms Control Intelligence Staff (ACIS) serve as the focal point for the Congressional CFE and START ratification process. Consistent with this guidance, we will continue to inform ACIS of all CFE and START-related inquiries received separately by this agency. I have asked my legislative affairs staff to coordinate closely with their counterparts in your agency to ensure maximum cooperation as the ratification process unfolds.
2. (S) I support your view that the Chief of ACIS, in consultation with the senior Intelligence Community representatives on the Arms Control Coordination Group (ACCG), should select only those subject-matter experts whose presence is absolutely necessary, depending upon the subject and scope of each request for Congressional testimony.
3. (U) I applaud your efforts to achieve one Intelligence Community voice in dealing with the Congress on this issue. Please let me know if I can be of further assistance.
